Session Descriptions

Pathways Orientation - Session covers basics on how to select a Pathways Path and start and complete Level 1. This session is designed for new members and those new to Pathways.

PRESENTER: Ying-Ming Lee, DTM

Leadership Opportunities - Session covers leadership opportunities available in District 33 at the club, area, division and district levels. This session is designed for members interested in opportunities to further develop one's communication and leadership skills and fulfill requirements for a DTM.

PRESENTER: Flora Turner, DTM, Immediate Past District Director (IPDD)

Chartering New Clubs - Session covers how new clubs are chartered and the role of Club Sponsors and Club Mentors. This session is designed for members interested in assisting with chartering new clubs as Club Sponsors and Club Mentors and fulfilling one of the requirements for a DTM under Pathways.

PRESENTERS: Debbie Allmon, DTM, D33 Club Growth Director & Club Growth Team

Club Quality - Session covers areas clubs should have for the highest club quality experience to promote member engagement and retention. An overview of "Moments of Truth" will be presented. Discussion will include sharing of best practices to promote club quality.

PRESENTER: District 33 Program Quality Team

Leadership Central for Club Officers - Session provides a live demonstration of access and use of information from Leadership Central, including Club Central.

Session also covers how to read a Distinguished Club Performance (DCP) report as a tool to guide a club towards Distinguished or better status. This session is designed for club officers and interested members.

PRESENTER: District 33 Program Quality Team

Leadership Central for District Officers - Session provides a live demonstration of access and use of information from Leadership Central, including District Central and key data information of benefit for District Officers to better support clubs in their division and area. This session is designed for Division and Area Directors and interested members.

PRESENTER: District 33 Program Quality Team
