Re: Christopher Hempleman, Dist. 33 Club Growth Candidate Statement

Greetings members of the great Dist. 33. We are an outstanding District of Toastmasters International.

My name is Christopher D. Hempleman, DTM, (Chris,) and I am honored to be a candidate for the Dist. 33 Club Growth Director Position.

“Our,”/my goal as the Dist. 33 Club Growth Director is to continue to build our club membership by having our members motivate and inspire new members to achieve their leadership and communication endeavors. The goal is to have club meetings on Zoom, and in person in the future, to be even more fun and beneficial to all members. Having many people in attendance makes for a great and dynamic experience for all.

I’ve been a member of our organization since 2010 and have held club officer positions, Area Director (2015-2016,) Div. F Director (2016-2017,) and am the Current Div. F Director (2020-2021.)

This has been a challenging and rewarding year by leading during a global pandemic. Together, we are all doing a fantastic job by holding meetings, speech contests and other programs online. The key to our success as a District is by working together as a dynamic and supportive team.

Thank you again for all of your time and dedication to District 33 of Toastmasters International.
