

4/16/2021

Hello fellow Toastmasters of District 33. My name is Greg Mauro and I am honored to be a candidate for District 33 Club Growth Director

For the past five and a half years, I have been on one of the most exciting journeys of my life as a Toastmaster. During this time, I have served in most every club officer position, including President of Visalia Toastmasters (2017-2018). I also served District 33 as a Division G Pathways Guide (2017) and Area G1 Director (2019-2020). I am currently serving as Division G Director.

Through working side-by-side with so many of you, I have learned more about myself and my leadership style. I can sum it up in the word "ACE": Adapt, Collaborate and Educate

Adapt: As a Pathways Guide, Area G1 Director and Division G Director, I have helped fellow Toastmasters successfully adapt to changes.

Collaborate: As Division G Director, I collaborate regularly with District, Division and Club leaders in ensuring high quality meetings, trainings and events.

Educate: In my role as a teacher, I have had the opportunity to provide trainings and develop curriculum for children and adults. For the past year, I have been training other Toastmasters on how to leverage Zoom to create effective club meetings and speech contests.

It would be my honor to represent you and serve our District as 2021-2022 Club Growth Director. I know that together we can "ACE" next year. Thank you for considering me as your vote for next year's Club Growth Director.
