Fellow Toastmasters, my name is Robert Ortiz. I started Toastmasters over two years ago. Over the past two years, I have been active in many capacities such as

- Vice President, Publication Relations
- Club Coach
- Area Director, A3
- Area and Division A Chief Judge

As an Area Director, I have been proactive as a liaison between leadership and the Club. In addition, we have transformed all the Free-Toast-Toast to provide a more attractive and cleaner layout; still much more to be done, but we are well on our way.

I have also been proactive in meeting 1:1 with fellow Toastmasters to resolve challenges we face when required.

My vision is to create an environment of productivity and an image in which prospective members can see what we as District 33, Division A offer in a proficient and competency to benefit them and ourselves.

Finally, I will do my utmost to ensure we enhance and maintain communication with all levels of our Division, Areas, and Clubs.

In Fellowship,

Robert Ortiz
