Message from the Immediate Past District Director

Welcome to the Hall of Fame 2021-22!

Today we celebrate and honor members and clubs for their outstanding contributions in the 2021-2022 Toastmasters year.

In 2021-22, our vision was that all District 33 members achieve their communication and leadership goals while enjoying their Toastmasters experience. Our focus was described by three words: Discover -- Learn -- Impact.

2021-22 was a year of challenges and losses for many in our district. We honor and remember the District 33 leaders, members, and their family members whom we lost in 2021-22.

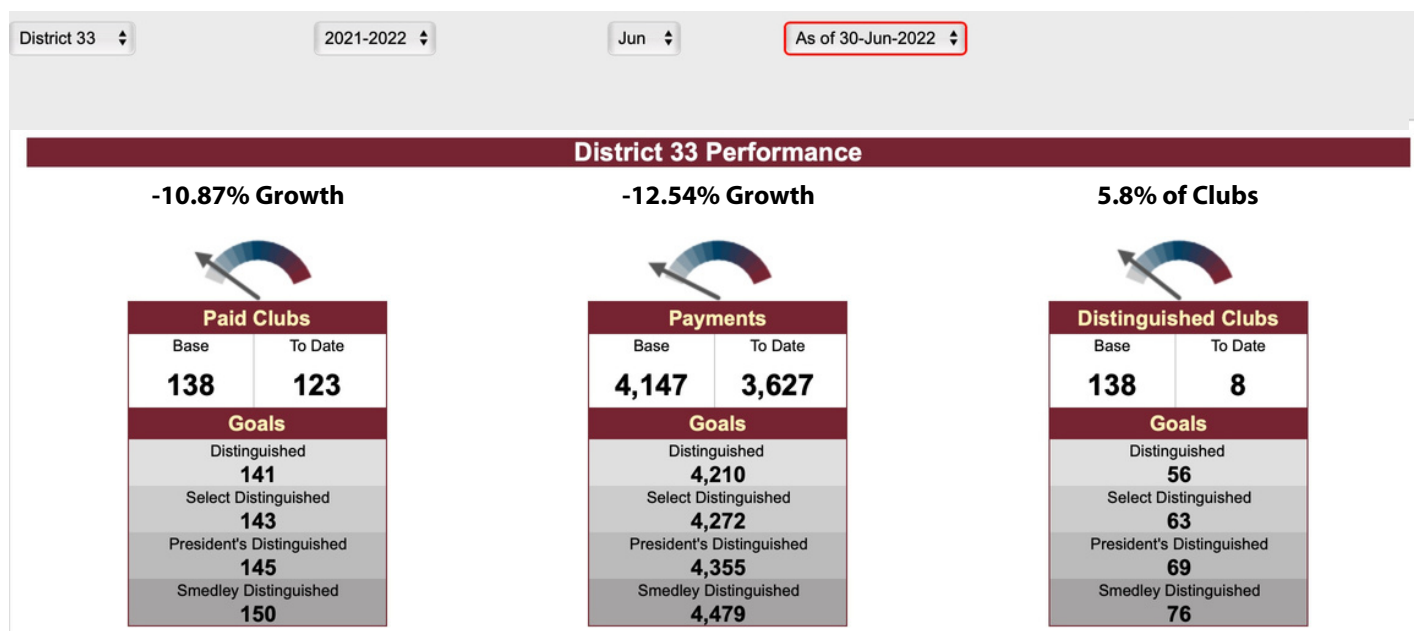

The 2021-22 year was also a year of great accomplishments that we --- as members and clubs with the support of the District 33 Leadership Team --- collectively accomplished in District 33:

- We earned 824 education awards.
- We added 671 members to our clubs.
- We chartered 4 new clubs to bring Toastmasters to new members and communities.
- Thirty-six (36) clubs earned Distinguished or better status in the Distinguished Club Program.
- We were awarded the "District Club Strength Award" from Toastmasters International.

It has been my honor to serve as your District Director for 2021-2022. I encourage you to continue your Toastmasters journey to Discover, Learn, and use these skills to have an Impact!

About District 33

District 33, or "D33" is a District of Toastmasters International and includes a large portion of central California. The district has seven divisions lettered A through G. The clubs in each Division are organized into Areas, each containing 4-6 clubs. The district's mission is to build new clubs, and support all clubs in achieving excellence. There are approximately 140 clubs within District 33, and more than 1,500 members.
