

Evaluable Toastmasters - Club 3919454

BREAKING NEWS:

Toastmasters International Partners with AI-powered Public Speaking Platform, **Yoodli...**

and **Evaluable Toastmasters** has the expert with the “low-down” on this new AI-powered speech recognition platform... just for you!

Saturday April 15th beginning at 1 pm (PT) Zoom Only

Evaluable Toastmasters will be hosting a historic learning opportunity.

This event will familiarize Toastmasters with **YOODLI** an AI-powered speech pattern recognition platform.

Presenting for this event is:

Sharan Jhangiani, Head of Product at **Yoodli**.

Sharan Jhangiani is the Head of Product at Yoodli, an AI powered communication coach. He has past lives as an engineer and data scientist, and is a graduate of the University of Washington.
