

# Evaluable Toastmasters - Club 3919454

will be hosting a fabulous learning opportunity.

**Saturday February 3<sup>rd</sup> beginning at 1 pm (PT) Zoom Only**

## Successful Evaluations – Be Brave, Not perfect

In this **interactive evaluation workshop**, we'll explore the essence of effective evaluations. Does offering feedback and an evaluation differ?

Discover practical insights on preparing for an evaluation contest, where precision and poise are paramount.

Remember, the focus is on your personal growth, fostering courage in communication, recognizing that growth often stems from embracing imperfection. In this workshop we'll dive into the art of constructive evaluation and the power it holds in our Toastmaster journey.

### Cindy Laatsch, Distinguished Toastmaster:

Her journey in Toastmasters began on October 1, 2009, when she joined her first Toastmaster club, seeking a group of committed, lifelong learners. She has held District offices from Area Director to District Director. She also served for two years as Region 1 Advisor.

Cindy is a District 35 evaluation contest winner, and believes strongly in the power of effective evaluations, and understands the power of giving and receiving feedback.
